A University of Kent Academies Trust School

2nd February 2024

Dear Parent/Carer,

RE: Careers Fair 2024

At Brompton Academy we have an extensive careers programme that over the course of the academic year provides students with a range of activities and experiences linked to careers. We provide independent advice and guidance to students so they can make informed decisions about their futures, whatever they may hold. The flagship event, where local and national employers visit the academy to support and engage with students, is our Careers Fair. This event will take place next Tuesday (6th February) during the academy day.

Throughout the day students from all year groups will have timetabled access to attend our Careers Fair to visit a wide range of employers, training providers and further education establishments. This will give students the opportunity to understand the world of work, appreciate specific employment sectors and ask questions. Students will also have the opportunity to investigate technical education opportunities and qualifications.

We are very excited to be welcoming over 30 employers on site, a list of the employers can be found on the following link:

<https://padlet.com/janelaingba/brompton-academy-careers-fair-2024-pll81xffcdw7vnj5>.

Please encourage your child to explore the businesses and training providers of any employers they are particularly interested in, so they can prepare any questions they have for the day.

We have always regarded careers as an integral part of the curriculum at Brompton Academy and see this event as a brilliant additional opportunity for students to gather all the information they need when it comes to making informed decisions on their future employment and life choices.

If you have any questions regarding this event, please contact the Careers team at the academy.

Yours faithfully

Dan Greenwood
Vice Principal
