Dear Parents and Carers,

## **RE: Transition to Secondary School**

We want to reassure parents and carers that transition and your child's positive induction to secondary school remains a high priority for us at Brompton Academy, and we are therefore working 'behind the scenes' to ensure that your child's transition goes as smoothly as possible, in these difficult times.

We also want to inform parents of Year 6 students who may require additional help at transition, that we will intervene as soon as reasonably possible to ensure your child is not disadvantaged by the current situation. At this time, we cannot be certain when additional visits and meetings will take place. As per government guidance, visits or meetings at school regarding transition are not permitted at this time.

We will write to you again, with further details regarding transition once we have a clearer outline from the government on how schools will be operating over the coming months.

Should you have any questions or concerns in the meantime, then please do not hesitate to contact the Academy. Our Admissions Manager, Jo Hodgson can be contacted via the following email:

Yours faithfully,

Jennifer Robertson  
Principal
