Dear Parent/Carer

RE: Additional Maths Period

I am writing to inform you that your child has had a curriculum change from January 2022.

As an Academy we are continually looking for ways to support the improved attainment of our students. We have identified the opportunity for your child to study one additional period of Maths within normal Academy hours. This will bring their lesson allocation in line with English. We believe this will provide the best possible chances of success. There will be a reduction in the PE allocation, although core PE will remain.

Your child has been provided with a new timetable, which can also be accessed via the rewards app ePraise, which will include the new period of Maths.

Yours faithfully

Mr Walters
Vice Principal
