Dear Parents/Carers

RE: The End of the Academy Day

The safeguarding of our Academy community is of paramount importance to all staff at Brompton Academy.

No students should be on the Academy site unsupervised at the end of the Academy day for any reason. All students must be supervised by a member of staff as part of a club, learning catch up, or revision sessions.

We would ask that all parents/carers speak to their children to ensure they are aware of this, and the dangers of being on site unsupervised including that in the event of an evacuation or accident, no staff are aware of their presence and therefore would be unable to assist.

Thank you for your continued support.

Best wishes

Mr Stanley
