A University of Kent Academies Trust School

Dear Parent/Carer

As per the Department of Health's Guidance on the use of inhalers in schools. The Academy holds emergency Salbutamol Asthma Inhalers which we can administer to students:

- who have been diagnosed with asthma, and prescribed a reliever inhaler
- OR who have been prescribed a reliever inhaler

AND for whom written parental consent for use of the emergency inhaler has been given.

If your child matches the criteria listed above and you would like us to administer this medication in an emergency, we would be very grateful if you could please complete the attached consent form.

Please note, there is no obligation to complete this form. In its absence the Academy will assume that parents/carers do not wish their child to be given this emergency medication by the Academy for any purpose at any time and will act accordingly.

Consent can be withdrawn at any time by contacting Mrs Kelly Bell, Health and First Aid Officer.

Information provided on this form will be subject to the Academies Privacy Notice available via the BA website www.bromptonacademy.org.uk and the UKAT Record of Retention Policy.

Yours Sincerely

Mrs Bell
Health and First Aid Officer
