Dear Parents/Carers

RE: Mobile Phone Policy

This is the time of year when I spend a lot of time reviewing our procedures and policies which have an impact on student and staff wellbeing and pastoral care.

Brompton Academy recognises that personal communication through the use of electronic devices is part of everyday life, however, they need to be used appropriately and safely.

As a result of the recent media coverage of the impact of excessive mobile phone usage on the health of young people, as well as the lack of leadership shown by social media organisations in addressing this issue, we are reviewing use of mobile phones in the Academy.

I would be very grateful if you could use the link below to voice your views preferably by Friday 20th May:
