Monday 8<sup>th</sup> June 2020

Dear Parents/Carers and Students

## **Return to School – UKAT - Chatham Grammar and Brompton Academy Year 10 and Year 12 students**

Following our previous correspondence to you, we are now writing to give you further information about welcoming your child back to school for some 'face to face' on site sessions, which will be effective from Monday June 15<sup>th</sup> 2020. The plan is to be open from this date, but this may be subject to change should the government advice change in relation to the R - rate, a rise in the number of deaths, or a rise in the number of infections. Should this happen we will inform all parents and carers as soon as possible. If you do not hear from us then the return to school will continue from Monday 15<sup>th</sup> June.

The Trust will be operating from the Brompton Academy site only for CG and BA students and staff. Please find attached a booklet entitled, 'Safely Returning to School Information and Guidance booklet for UKAT Students, Parents/Carers and Staff'. This provides comprehensive information regarding how we have prepared for your child's safe return to school, and information regarding the timetable and organisation of the learning sessions. Our preparations comply and indeed go beyond the all guidelines set from central government.

We strongly recommend that students and parents / carers read this information book carefully, and familiarise themselves with its content, to ensure the health and safety of both students and staff.

We understand that this is a very challenging time for everyone and we hope that this document will provide you with all the information you need in order to allay any concerns you may have about your son or daughter attending the academy.

Should you have any further questions regarding your son or daughters' return to the academy please contact one of the team listed below:

We look forward to this first beginning in welcoming all our students back to their respective academies and normal working arrangements.

Best wishes to all our families.
