

Video Appointments: Parents/Carers - How to attend appointments over video call

In order to make video calls you need to have as a minimum:

- A device with a microphone and speaker/headphones (including an iPad or mobile phone)
- A compatible up-to-date web browser:
iPhone/iPad: Safari **Note: there is a known issue joining video calls using iOS 14.2. Please upgrade any iOS 14.2 devices to iOS 14.3, or use an alternate device. We advise using Chrome on an iPad.**
Android: Chrome or Firefox
Windows: Chrome, Firefox or Microsoft Edge (Chromium - [download here](#))
Mac: Safari, Chrome or Firefox
Linux: Chrome or Firefox

We also recommend:

- Using your smartphone for video appointments. If you don't have a smartphone with a front-facing camera, use a laptop or computer with a webcam.
- Using a headset (or earphones with a microphone) to reduce echo.

How to attend your appointments via video call

1. Log in and go to the Evening

On the day of the video appointments (or before, if you want to test your camera and microphone) login to Parents / Carer Evening at the usual web address for your academy, or click the login link from the bottom of the email confirmation you will have received.

Once logged in you will see a notice that you have upcoming video appointments and under this the details of the event, along with a *Join Video Appointments* button.

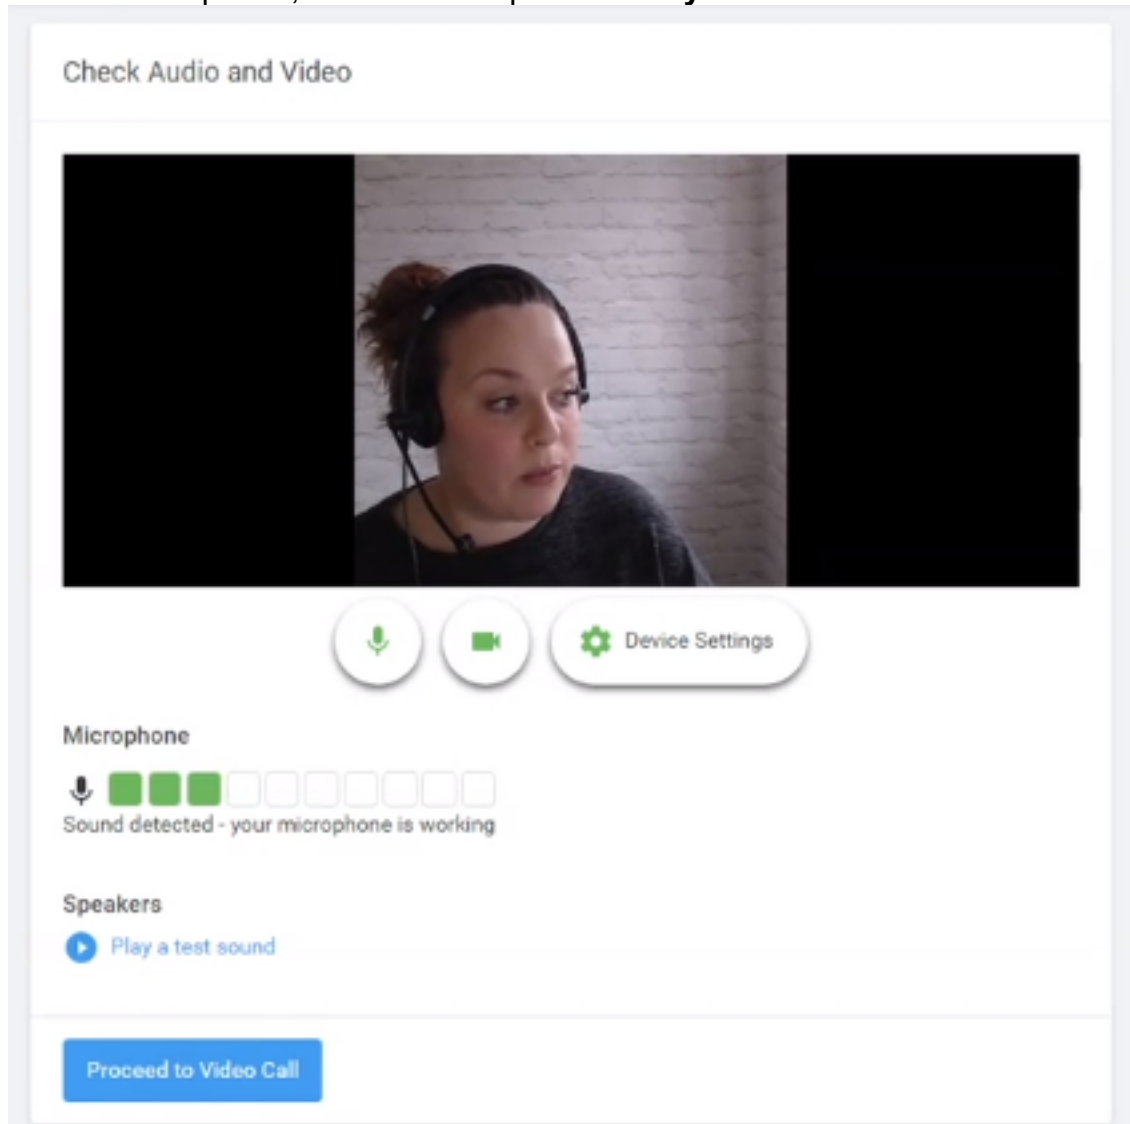

Press the button to join your appointment on the day - or to test your camera/microphone at any time.

The screenshot shows a user interface with a blue notification box at the top containing an information icon and the text: "You have upcoming appointments which take place by video instead of in-person." Below this is a green header section titled "Video Appointments". Underneath the header, there is a white box with the text: "Press the button below to access the video call or to test your camera/microphone prior to the start of your first appointment." This is followed by the heading "January Progress Meeting" and the text "First appointment: 12/01/2021 16:00". At the bottom of this section is a green button labeled "Join Video Appointments".

2. Check Audio and Video

When you click "Join Video Appointments" the *Check Audio and Video* screen will be displayed. You may at this point be asked if you wish to allow access to your camera/microphone, in which case please click **yes**.

From here you can turn on or off your microphone and camera, change which devices are being used for the call, and check your microphone and speakers. Once you are happy, click *Proceed to Video Call*.

3. The Video Call

On this screen you can see the following, when in a call:

- At the top left the teacher name (and subject details) for the current and next appointment.
- At the top right a countdown to the start of the appointment.
- At the bottom the controls for the microphone and camera.

When another person is available these also show a pickup button to start the call

and a hang up button to leave the call.

- In the middle, when your appointment is due to start, the *Start Appointment* button.

4. Making a call

Click the *Start Appointment* button. You will see yourself in the bottom right corner of the screen (unless you have no camera or have chosen to turn it off). If the teacher has not yet joined, you will see a notice to that effect in the centre of the screen.

When a teacher joins a call, you will see them in the main part of the screen - or hear them, if they have no camera (or have turned it off) - and can start your discussion with them.

You will also see the remaining time for the appointment counting down in a blue bar at the top of the screen, which will turn red when the last 10 seconds begin.

If anyone loses access to the system for some reason during the call, they can log in again and click *Start Appointment* on the video call screen. As long as the other person is still in the call this will let you continue with the appointment.

When the countdown in the blue bar stops the appointment time is over and the call will automatically end.

Note that if you are late, or leave and re-join the call, it does **not** reset the timer. The appointment will always end at the scheduled time.

5. Follow on calls

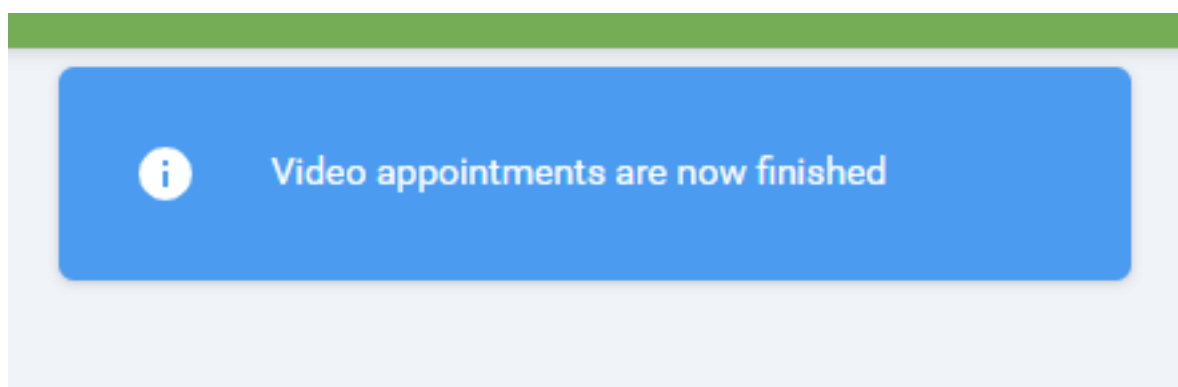

If you have a consecutive appointment scheduled the screen will display a *Start Next Appointment* button. When you are ready to proceed, click on it

Note that if you delay starting a call it does **not** extend the duration for that appointment.

The appointment will always end at the scheduled times.

If you do not have a consecutive appointment, but you have not completed your final scheduled appointment, you will see a countdown telling you how long until the start of your next appointment.

Once your final appointment for the evening is complete you will see a message advising you of this.

Inviting another parent/carer to join your appointments

You can give one other parent/carer access to join your video appointments in respect of each student linked to you that is involved in the evening. You can grant this access at the time of booking, or later if required.

1. Once you have made your bookings (or when you later log in and go to *My Bookings*) click on the *Invite parent/carer link* at the top of the list of your bookings. If you have already sent an invitation this link will show as *Manage Invites* instead.

Here is an example of what the invite email looks like:

The screenshot shows an email titled "Video Call Invitation" with a green header. The main content is on a white background. It starts with the subject "Primary School Parents' Evening". The text says: "You have been invited by Rachael Abbot to appointments which take place by video call. Click the button below to join the video call on the day, or to test your camera/microphone at any time:". Below this is a blue button with the text "Join Video Call". Underneath the button, it says "Or paste this link into your browser:" followed by a long URL: <https://greenabbey.schoolcloud.co.uk/guests/video/39372?guestToken=26fac3787e3d4a829e54045e4fc14e53>. Finally, it says "The appointments are as follows:" and lists two appointments in a table.

Date	Time	Student	Teacher	Department
Monday, 21st December	16:10	Ben Abbot	Mr J Sinclair	English
Monday, 21st December	16:20	Andrew Abbot	Mr J Sinclair	English

3. You will then see a *Manage invites* box that shows your sent invitation(s), allows you to add another invite if you have any more available (the person invited can be different for each student, if wished), and allows you to *Resend* invites or *Remove* them.
