22nd September 2023

Dear Parents, Carers, and Students

Re: Year 10 Information Evening – Tuesday 26th September at 4.30pm

I am writing to confirm the details for the Year 10 information evening, which is taking place on Tuesday (26th September). The evening will take place at 4.30pm in the main hall. The event will start promptly. Please enter the academy through the reception area where staff will welcome and register you.

The event will provide key information and resources for starting GCSE/BTEC courses in Key Stage 4 as well as support and guidance for Year 10 for both you and your child. It is therefore important for your child to attend with you where possible. The session will include presentations by Kayley Smith (Deputy Head of Year 10 and 11 – Student Progress), Martin May (Deputy Head of Year 10 and 11 – Student Development) and myself.

If you are unable to attend this evening for any reason, please contact me and I will arrange to send the information to you following the session.

Please do not hesitate to contact me if you have any questions or if I can support further.

I look forward to meeting you on Tuesday evening and working with you and your child over the year ahead.

Yours faithfully

Dan Greenwood

Vice Principal
