30<sup>th</sup> March 2022

Dear Parents/Carers

### Re: Easter Holiday Study Programme

I am writing to share the Year 11 Easter holiday study programme, which I have attached to this letter. The revision sessions will take place in the first week of the Easter holidays (4<sup>th</sup>-8<sup>th</sup> April).

All Easter holiday study programme sessions will be 3 hours and will take place either in the morning (9.00am to 12.00pm) or in the afternoon (12.30pm to 3.30pm). Please note that students wishing to attend sessions, must ensure they are available for the whole session as they will not be permitted to leave early due to the disruption this has on sessions.

Refreshments will be available for students during the sessions. Students' who attend both the morning and afternoon sessions on the same day, will be able to have their lunch break 12.00pm to 12.30pm between sessions. Students will be allowed to leave the site for their lunch break, they will need to make sure the return in time for the afternoon session.

As shared previously, students will receive two study reward loyalty credits for each revision session they attend. Students will be required to sign in and out of the academy building as they arrive and leave. Own clothes can be worn whilst attending these sessions.

I hope you will support by encouraging your child to attend these valuable study sessions to further support their revision for their summer GCSE exams.

Please let me know if you have any questions regarding these sessions. Thank you for your continued support this term, and I hope you and your family have a relaxing Easter break.

Yours sincerely,

Kayley Smith  
Year 11 Study Programme Lead
