**University of Kent**

Dear Parent/Carer

**Re Early Closure of Brompton Academy on Wednesday 24<sup>th</sup> June 2015.**

I am writing to notify you that the final stages of the state of the art outdoor facilities are now close to completion. These facilities will give students access to a floodlit all weathers pitch, netball, tennis and multipurpose courts, playground, recreational seating areas and an outdoor science classroom together with additional car parking. These external spaces will be available to students from September 2015.

The Lead Sponsor, the University of Kent is hosting an official opening event on Wednesday 24<sup>th</sup> June. The Academy will close to students at 12pm on this day for the official opening event to take place. There are many students who will be participating in this prestigious event and they will be notified on an individual basis in advance of the event.

The bus companies who provide transport for the Eliot Centre students will be notified in advance of this early closure. We will arrange for all students in receipt of free school meals to have a packed lunch, which will be available to collect at break time.

Yours sincerely

Judy Rider  
Principal
