Dear Parents/Carers

Re: Changes to Data Protection Law

You may be aware that from 25th May, the rules around data protection are changing. The 'General Data Protection Regulation' (GDPR) will change how we can use your personal data and keep it safe, and strengthen your rights over your own data.

The new regulations will ensure that sensitive or private information about yourselves and your children stays safe. Current systems and policies will be updated to ensure that we meet the new standards expected by the General Data Protection Regulations.

One of these changes is that we have updated our existing Privacy Notice for Parent and Carers, and prepared a new Privacy Notice for Students which I have attached, and will be available on our website:

<http://www.bromptonacademy.org.uk/325/privacy-notice-for-parents>

<http://www.bromptonacademy.org.uk/326/privacy-notice-for-students>

If you have any questions about how the GDPR affects you, or how our Trust is preparing, please do not hesitate to contact me via email dataprotection@UKATacademies.org.uk.

Yours sincerely

Caroline Jennings
Data Protection Officer
